

We have 2 outdoor grilling stations for guests, both of which offer gas-powered grills & have overhead lighting and outdoor dining tables. Each has burner attachments for cooking on a skillet/pot or for boiling water (all items provided)

Grocery Pick Up Provided

Imagine walking into your Airbnb and already having it fully stocked with your groceries: dried goods are inside while your drinks and refrigerated items are already iced down & ready to go in the cooler on your front porch by the time you arrive!

By adding Grocery Pick Up to your stay, you can guarantee an easy check-in day no matter the time you arrive.

For more information on how you can have your groceries picked up and set up in your Airbnb upon arrival, please visit the Express Grocery Pick Up link in the Guest Guide Book Homepage.
